**Explanation of the registration for foreign participants with weapons:**

Foreign participants must make their weapons known through documents from the country concerned. That can be your own permit, a disabled statement, a purchase receipt or something similar. It is important that you indicate which weapon you are using, whether or not supplemented with photos so that the police can check you and/or whether the weapon is allowed in the Netherlands or during the event. Please note: Weapons that are not allowed in the Netherlands are of course also not allowed at the event. If you have any questions, please contact us as an organization.

**The (draft) program of Liberation Festival Brielle 2023 can be found on the website; <https://www.bevrijdingsfestivalbrielle.nl/>**

Thank you very much in advance for your registration.

Sincerely,

Liberation Festival Brielle Foundation, on behalf of the organization
